

Medihealth Pathology

Helping you with Health

### **Covid-19 In-Home Testing**

Fast, convenient & Bulk Billed Service

**Step 1.** Ask your doctor to provide you with a request order form from any pathology company they may be using via email if you are having a Telehealth Consult or have your doctor complete the request form accompanied with this flyer if you are visiting your doctor/medical practitioner.

**Step 2.** Once you have a completed request form from your doctor either call or email us to book a convenient time to get tested.

Call **0286082070** or Email: **covid-test@medihealthpathology.com** to book your home visit.

When emailing please include your full name and contact details
